

Coyote Preserve

GREEN

D 29 YDS

W 22 YDS

Favor the left side of the fairway for your tee shot – This will give you a better angle to the green for your approach. Stay away from the right side of the green as everything slopes to the right!

Par 4

348

324

298

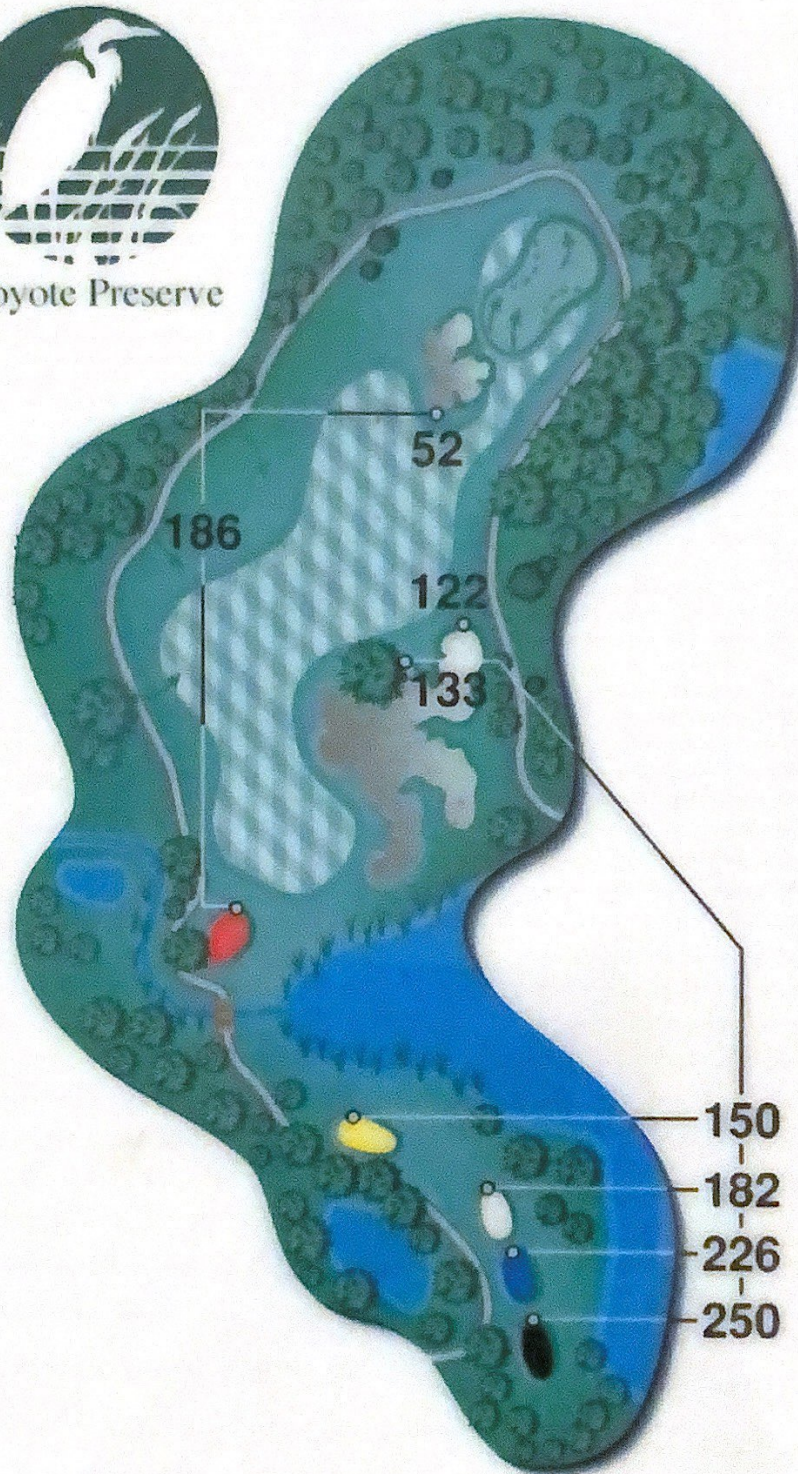

265

241

The shortest
Par 4 on the
course. Do not
be fooled, avoid
the large sod-
faced bunker off
the tee to leave
a short iron to
well protected
green.

Coyote Preserve

3

Par 4

412

380

357

317

244

A well hit drive is required to carry the bunker down the right hand side of the fairway, or use the wide open left side. This will leave a mid to short iron to the long narrow green. The entire green slopes left to right.

W 21 YDS

18

Par 5

551

525

499

451

406

A classic
Par 5 in which
it is possible to
reach the green
in two with a well
placed tee shot.
Avoid the left
side of the hole,
as a stream runs
into three ponds
guarding the right
side of the green.
