Welcome to Coyote Preserve Golf Club
Southeastern Michigan’s most “Up North” feel, golf club without the drive. Coyote Preserve Golf Club in Fenton is one of the only courses in the area designed by Arnold Palmer. The course has a hilly terrain that provides plenty of elevation changes as well as stunning views. Tumbling across deep ravines and native wetlands, the layout requires many carries over dramatic depressions and water hazards while many are seemingly intimidating they are actually quite reasonable. Our amenities include a fully stocked pro shop, a library featuring a big screen TV and private locker rooms for men and women. Coyote Preserve is the perfect setting for this event.

Blessings in a Backpack Overview
• Blessings In a Backpack is a “neighbor-helping-neighbor” program that is designed to help meet the nutritional needs of children and families.
• Each week, volunteers distribute backpacks filled with enough non-perishable food for the weekend (six meals) to “at-risk” students.
• Each backpack contains food such as tuna, peanut butter, macaroni and cheese, soup, fruit juices, pastas, oatmeal, fruit bars, and ramen noodles.
• While it seems unlikely that children in an affluent county like Oakland would go to bed hungry on weekends, in reality, between 4% and 88% of the students in the school districts are at risk. Holly has over 1,400 children who qualify for this program.
• The goal of the Blessings in a Backpack program is to keep these students from going hungry on the weekends and remove barriers to academic success.
• The Holly program provides food for almost 500 children at the 4 Elementary Schools and the Middle School. At an estimated cost of $50,000 annually. Please help us raise the money to reach this goal for the 2021-2022 school year.

Benefits of the Program
• Research shows that healthy, well-nourished children learn better, are more likely to attend school and are able to take advantage of educational opportunities.
• This program is making a difference in the lives of children. Results we have seen are:
  - Increase Test Scores 45–54%
  - Improved Attendance 23-48%
  - Decrease Behavioral Issues 25-35%
  - Greater Attention Spans 35-44%
  - Improved Class Atmosphere 47-60%
  - Chance for long term gains Yes

Sponsor a Backpack
• We are able to purchase food at a reduced rate, your donation of $110.00 will provide a backpack and food to one child each weekend for an entire school year! All money donated is tax deductible through the 501(c)(3) status of the Community Foundation of Greater Rochester.
